## Fiber internet project to be discussed in Deckerville

**DECKERVILLE** — Agri-Valley Services will host a “town hall” meeting Tuesday, Aug. 13 to provide background on its village-wide fiber broadband internet project.

AVS will soon begin the installation of a fiber-optic network within the village limits to provide broadband internet connection to residents and

businesses.

The purpose of the meeting is to provide background on the project and AVS’ services, answer questions, and provide a timeline on infrastructure construction activities.

The meeting is from 6-7:30 p.m. at Mi-Dahs Well Banquet Hall, 2381 Black River St., Deckerville.
